

## Construction Estimator

---

Due to an increasing workload, we wish to recruit an experienced **Construction Estimator** to work from our Head Office in **Stirling**.

---

Applicants should ideally be degree qualified and/or with Professional membership of a relevant Construction Institute and will have experience of **computerised estimating packages** along with excellent IT skills in Microsoft Office. The successful candidate will be able to demonstrate a record of working to tight schedules and deadlines. **Must be** experienced in preparing estimates from Bill of Quantities or drawings/specifications, budget cost plans and co-ordinating sub-contractor quotations.

Applicants **must have** significant construction estimating experience working at a senior level in the construction industry and must be able to produce analytical estimates for tender settlement with senior management.

The position will report to the **Commercial Director/Pre-Construction Manager**.

---

An attractive package is on offer including fully expensed car, profit share scheme, contributory pension and life assurance, BUPA and 32 days holiday per year.

Please submit your detailed CV along with a covering letter confirming the contribution you believe you can offer Ogilvie Construction along with your current remuneration package to Pauline Mercer, Group HR Co-ordinator, [recruitment@ogilvie.co.uk](mailto:recruitment@ogilvie.co.uk) **Closing date for applications is 19 May 2017.**

---

*Ogilvie Group is committed to equal opportunities and diversity for its employees, temporary workers and work seekers. Candidates are assessed on their individual merits and suitability to a position irrespective of race, gender, disability, age, faith or sexual orientation.*
